

YouthBuild North Shore CDC

PROGRAM OUTCOMES

ACCOMPLISHMENTS

- First program in North Shore region
- First new program in 7 years in MA
- Members participated in over 70 community service events
- Received \$1.1 million in DOL funding
- Invested in 3 new full-time YB staff
- Expanded to serve more communities on the North Shore

Need for Increased Program Funding

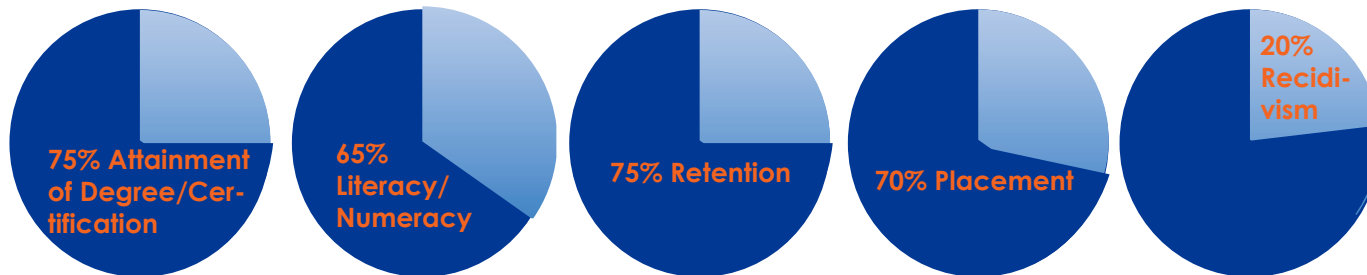

YouthBuild graduates have a 100% likelihood of placement in employment or post-secondary education, 15% more likely than a young person with only a high school credential and 65% more likely than a young person without a high school credential!

IMPACTS

- 100% of YouthBuild North Shore graduates have been placed in full-time employment or enrolled in post-secondary education
- 3 Habitat for Humanity homes have been built by YB North Shore
- 83% of students will have earned a high school credential by 2015
- 87% attendance rate, 27% higher than any other alternative schooling program in the area

FEDERAL STANDARDS

north shore community development coalition

YouthBuild Program Model

Empowering young adults with the competency and desire to transform their lives and improve their communities through education, employment, and leadership development
