Goodbye Gloucester Crossing:

Thank you Gloucester Crossing residents for inviting me into your community and giving me the opportunity to further my professional growth. It has been a wonderful experience working with residents and continuing your First Thursday and Coffee Hour traditions throughout this past year. I wish you all the best of luck.

Best,
Lindsey Cobb

THANK YOU!

The North Shore CDC would like to thank The **Italian Community Center** for letting us use their kitchen to cook for the First Thursday's!

The North Shore CDC would also like to thank **Sterling Insurance, Beverly Police Benevolent Association, Stop and Shop, and Dawson's True Value Hardware Store** for their generous donations for our First Thursday's and other events within the community!
