AmeriCorps LISC Community Engagement Intern

North Shore Community Development Coalition (NSCDC) is a regional, nonprofit organization committed to investing in neighborhoods to create thriving communities. We envision a North Shore where every neighborhood is one of choice and opportunity. Our neighborhood revitalization model focuses on projects that have lasting benefits for entire neighborhoods with need-based programs that build future city leaders and self-sufficient residents. Our diverse staff are passionate and committed to helping our communities thrive and grow.

North Shore Community Development Coalition (NSCDC) is looking for a Community Engagement Intern to support community building activities that foster neighborhood revitalization and encourage community engagement in the Point neighborhood in Salem. The Community Engagement Intern will help develop and implement strategies to build relationships with community members, connect residents to useful resources, and enhance civic-engagement. In addition, the Intern will also assist our Family Resource Center programming by providing support services for residents one on one through intensive case management and by connecting residents to much needed resources for their families. The Intern will have the unique opportunity to assist NSCDC with establishing our new Resident Ambassador program and play a vital role in implementing the Salem Point Vision & Action Plan.

Responsibilities include:

- Conduct outreach and aid community meetings that support activities tied to the Vision & Action Plan and voter engagement
- Conduct outreach within the community to identify potential partners and leaders, and inform local residents about relevant programs and resources
- Foster stronger relationships between NSCDC and Point neighborhood residents
- Support the development of the Resident Ambassador program
- Conduct intake, case management, and individual supportive services
- Coordinate partnerships with organizations and community members that enhance NSCDC’s capacity to implement community improvement projects

Qualifications:

- A strong commitment to helping underserved communities thrive economically
- Bi-lingual English and Spanish strongly preferred
- Excellent interpersonal skills, including the ability to collaborate with others
- Must have working knowledge of computers and computer systems
